Dear Steven,

On behalf of the Music for All and the Board of Directors, it is with great pleasure that we announce the acceptance of the Rising Starr Middle School Symphonic Band to perform at the **Middle School National Festival**. This festival is part of the **2011 Music for All National Festival presented by Yamaha**. Based on the recommendation of our distinguished listening panel of evaluators, some of the most respected music educators in the country, we are pleased to extend this invitation and esteemed recognition to your outstanding ensemble.

Your selection to perform at the Festival was made from an outstanding pool of ensembles and your ensemble was deemed to have achieved the highest level of musical performance and artistry. You and your students should be commended for this outstanding commitment to excellence and will have an opportunity to shine on a national stage in front of music educators, peers and parents from across the nation. Please take a moment to note the additional attached enclosure with some early details in preparation for your performance.

This invitation to perform at the 20th annual Music for All National Festival is a tremendous honor and we look forward to your ensemble representing your school, community and state with an exceptional performance in Indianapolis, March 17-19, 2011. Again, we send you our very best wishes for the coming school year and we look forward to working with you leading up to and during the 2011 festival.
